The COVID-19 pandemic has affected us tremendously. We went to school from monday to friday, in january and february, 2020. However, we did not go to school in march and april. We cannot even go to church on saturday or sunday. We must stay at home. This measure is to protect us from getting sick with COVID-19. We hope that we will be able to go back to school on monday, tuesday, wednesday, thursday and friday from the month of september, 2020.
